EDUCATION

KIT-Kalaighnarkaranidhi Institute of Technology Coimbatore - Tamilnadu, India

2023 – 2027

B.E. Computer Science and Engineering ,Final year

Current CGPA: **9.04/10.0**

Coursework: Computer Architecture, Computer Networks, Operating Systems, Database Management Systems, OOPS

SSLC: ALL PASS , **HSLC:** 527/600

EXPERIENCE

Learnlogicify Technologies

On Site

Web Development Intern

1 month

- Developed and maintained responsive web pages using **HTML, CSS, and JavaScript**, improving overall user experience.
- Collaborated with the team to design clean and user-friendly UI layouts for client projects.
- Assisted in implementing interactive website components such as forms, sliders, and navigation features.

PROJECTS

ATM Guard AI: Fraud Detection System | Python, OpenCV, React, Node.js [Link](#) | Mar 2026

- Developed a **real-time ATM fraud detection system** using behavioral analysis and computer vision to identify suspicious activities.
- Implemented **motion detection, face detection, and fraud risk scoring** for accurate and timely alert generation.
- Built a **full-stack application (React + Node.js)** for real-time monitoring, data logging, and visualization of fraud events.
- Achieved real-time fraud detection with improved response accuracy.

Blind Assistance System | Python, OpenCV, Computer Vision [Link](#) | Oct 2025

- Built a computer vision pipeline that detects and identifies objects in real-world environments to assist visually impaired users.
- Engineered preprocessing modules for image capture, feature extraction, and conversion into audio cues for real-time guidance.
- Enhanced system reliability and usability through iterative debugging, contour filtering, and evaluation with accuracy and latency metrics.

Smart Inventory Management System | React.js, Express.js, MongoDB, Machine Learning [Link](#) | 2025

- Engineered a smart inventory management solution that automated stock tracking, product management, and sales monitoring for improved business operations.
- Integrated AI-driven demand forecasting and inventory analytics to predict stock requirements and minimize inventory shortages.
- Developed interactive dashboards and reporting modules, providing real-time insights into inventory performance and supporting data-driven decision-making.

TECHNICAL SKILLS

C	HTML	React.js	JavaScript	Java
SQL	Github	Python	Tailwind CSS	Bootstarp
OOPS				

CERTIFICATIONS & COURSES

NPTEL – Cloud Computing	Link 2026
Coursera –Machine Learning with PySpark	Link 2025
IBM – Web Development	Link 2024
Infosys – Java Foundation	Link 2024
CISCO - Introduction to CyberSecurity	Link 2025

COMPETITIVE PROGRAMMING

Leetcode : Max rating - **1696** | Solved problems: **190** | Top **33.59%** globally | Contest – **10** | Global Ranking – **158,726**.

Codeforces : Max rating - **1282** | Position: **pupil** | Highest Rank – **5718** in round **185** division **2**.

Codechef : Max rating - **1561** | Position : **2 Star** | Problems : **800** | Contest – **92**|Global Rating – **19194** |Global Rank – **20958**.

ACHIEVEMENTS

- Participated in a District-Level GK Competition and secured third prize for strong general knowledge performance.
- Secured Elite certificates from NPTEL by successfully completing course assessments with high performance
- Earned Achievement certificates from Infosys Springboard through successful course completion.
- Recognized as the “Best Performer” in the class for outstanding results and active participation.
- Published and presented a research paper at the Rathinam International Conference, demonstrating strong analytical and research skills.

VOLUNTEERING

- Actively contributed as a member of the Yoga Club, taking part in yoga sessions, workshops, and club-organized events.
- Volunteered in campus events, assisting with event setup, coordination, and student support to ensure successful event execution .
- Actively volunteered in the Junior Red Cross (JRC) on campus, participating in community service activities and promoting health, safety, and social awareness among students.
